Enroll TODAY, Save your spot with just a \$50 non-refundable deposit!!

We pick up students directly from their grade school. Upon arrival at Busho Kai, students are given time to eat a snack (parent provided) and then change into their karate uniform. They will attend martial arts class with our world class instructors! After class, students are given time to complete any homework they may have, read quietly, or play in an activity center until pick up. Pick up time starts at 5:15 pm and lasts until 6 pm.
